

Dear Michal Soltysik,

We hope this letter finds you in high spirits and brimming with pride as we have the pleasure of extending our heartfelt congratulations on your remarkable achievement of becoming a **Certified CyberDefender**.

Your dedication, hard work, and unwavering commitment to mastering the art of defense have paid off, and we couldn't be prouder to have you as part of our esteemed community of defenders.

Receiving this certification is not only a testament to your exceptional skills but also an affirmation of your relentless pursuit of excellence in the field of CyberDefense.

You have embraced the "*Defend Smarter, Not Harder*" mindset, understanding the critical research skills required to combat advanced cyber threats and setting yourself apart as a true professional defender.

As a token of our appreciation and recognition of your accomplishment, we are delighted to present you with a special commemorative coin. This coin symbolizes your resilience, determination, and commitment.

Once again, congratulations on this exceptional achievement! We are confident that your expertise will continue to inspire and empower others in the cybersecurity community.

Sincerely,
CyberDefenders Team
